ERIC SCHMITT

CONSOLE POMPEI
2021
Patinated Bronze
75 x 110 x 40 CM
29 1/2 x 43 1/4 x 15 3/4 IN
Edition of 8 + 4 AP

Eric Schmitt develops all his sculptural objects from initial sketches, reducing them further and further until he arrives at a final form of naive purity.

His process is one of erasure, removing references to art history, ergonomics or fashion, until he arrives at an object that speaks only its own language. While the conception of each piece remains entirely original, its execution is where Schmitt can express modernity and design techniques, such as in the lustrous patina of each bronze object.
