TABLE LASCAUX
2021
Patinated Bronze & Lava Crust Top
75 x 130 x 130 CM
29 1/2 x 51 1/8 x 51 1/8 IN
Edition of 8 + 4 AP

The lava crust table top of Table Lascaux is one of the few textured parts of the entire Mytho collection, in contrast to the smooth patinated bronze that forms its core.

Incorporating the volcanic rock lends the collection a reference point beyond human history, and puts into perspective how short the archaeological timeframe is. Long before human development, the earth was creating objects that we now respond to as art.
